NEW ACTIVATION KEY LOGIN

Here are step-by-step instructions on the new activation key login. It is now possible to use QR codes for the team login – this feature is currently available on iOS devices only.

COACH APP – iPad

1. Go to your team and select an athlete that you have given a license to.

3. The visible QR code can now be captured by the athlete's device (iPhone/iPad).

PLAYER APP – iPhone (or iPad)

 Open the app on the iPhone, tap → start. The native Omegawave login has now the button "Activation key login" included (formerly known as "Team login"). Tap the button.

2. Tap → Scan QR code. When performing that feature for the first time, the app will ask to access the phone's camera. Allow access to enable the feature.
